

SOMM SELECT

“Richness and polish are practically givens when California Cabernet is the subject. But when you add in some real “old world” soul and a surprisingly affordable price, then we’re really getting somewhere! The simplest way to present the Judge Palmer Vintage Select Cabernet is to say that, if I were tasting it blind, I’d be expecting to pay \$75-\$100 for it. Not \$45.”

– IAN CAUBLE, MS
